

Recommended Replacement Schedule for Supplies and Parts

3 Months

- Disposable Filter
(You will receive the replacement supply at your Equipment Maintenance Check visit.)

6 Months

- Mask Interface (Nasal, pillows or full face)
- Headgear

Yearly

- CPAP Tubing
- Chinstrap (if you are using a chinstrap)
- Humidifier chamber (if you are using a humidifier)

The above items may be obtained at your six-month Equipment Maintenance Check. If damaged or you need them prior to your visit, Northwest Sleep Health can arrange to have your replacement supplies ready for you to pick up or mailed to your home.

To order, call 503.353.1272.
